

Greetings #TrojanAlumniNation!

We have some updates on the upcoming **YVHS 50th Year Reunion & Celebration**.

First, checkout the website for any and all info and updates. Due to algorithms on Facebook, not everyone sees informational posts, so all news will be on this website.

Website: yvsreunion.com

The theme for our 50th is: “Time In A Bottle” by Jim Croce.

As a committee, and to assist all classmates in planning for the upcoming reunion, we decided to choose our final dates now, rather than wait for the football schedule to come out to see when Homecoming will be scheduled. **The dates will be October 18-20, 2019.** These are final. The risk with this is that it *may* not be homecoming weekend, but we did have some information early on that this *might* be the date, so we are keeping our fingers crossed! If it is not Homecoming, we hope there will be a home game so that we can gather there as our first night to reminisce. If that option is not available, we will arrange a Friday night get-together for all who can come. The above options will be based entirely on the football schedule that will be released sometime this spring. We will update you with the plan at that time.

Currently we have scheduled an optional Saturday a.m. hike at JTNP led by Jerry Pierce, as well as a visit to Queen Mine/Keys Point. We are looking into a privately arranged tour for the latter, as this is not open to the general public. Patti Newton Barber will be handling questions, etc on this outing. You can also sign up for golf at Hawks Landing. Jimmy Rauch will be the contact. There will be a sign up sheet on the website for all as time gets closer. The only cost involved would be that of entrance fees to the park and golf fees at Hawks.

Saturday night will be our big event at Hawks Landing in YV. We have secured the venue for the evening (it will be closed to the public) with a fantastic buffet! Gluten free and vegetarian options will be available! The ticket price for this event is still yet to be determined as there are unknown costs pending at this time. The guess is between \$50-\$65 pp. Tickets will be available through the website and credit cards will be accepted.

Sunday's event takes us back to where it all began—YVHS!! We will have a private tour of the campus to see how things have changed in the past 50 years!

If there is anything else planned as we go along, we will let you know.

There will be great memorabilia on sale (also on the website) including t-shirts, sweatshirts, hats, totes, and tumblers with our logo. More info to come.

We would also like to invite you to donate any amount of money you can to help classmates that cannot afford to buy their tickets for the Saturday event. We do not like to think of someone not being able to make this celebration due to cost. If you would like to donate, there will be a place to include these funds when you buy your tickets. If you are unable to pay for a ticket, please email us privately so that we can put you on the list.

All donations and people receiving this help will be totally anonymous. If there are any extra funds left over, they will be donated to YVHS.

Hope you all are as excited as we are on the Committee about our pending reunion! 50 years ago, we were young and wild and on the cusp of a changing culture that would change the world. We lived history and captured "time and put it in a bottle!"

PS: If you are receiving this note, thank you for updating your info on the website! But, we still need your help! **There are many classmates we have not been able to confirm or update. So, we have included a list of said classmates in hopes some of you may have current info.** At this point an email or phone number would do. We appreciate any help you can provide to help us in contacting them. You may email any info to us on the website. There is an email tab to click on and we will take it from there! Thanks!

Currently there are no specific volunteers working to update our master list on the website for classes '72, '73 or '74. We are still asking anyone from those classes to update on the website so that they are included
