3. IMPORTANT INFO ABOUT WEEKEND ACTIVITIES

CHANGE IN FRIDAY NIGHT MAIN EVENT!!!! As many may or may not know, Yucca Valley High School is getting a brand new, state of the art football field. However, because of this development there is a good chance the construction will take place over the football season. If that occurs, the game scheduled for Oct 18, 2019, will be cancelled. This possibility is very real but remains uncertain and impossible to know at this time. Thus, we are taking the game out of the weekend event line-up. Instead, we will have an Ice Breaker at Yucca Bowl, where you can come and bowl, eat, or just visit. There is a bar with tables, and of course you can come crash our lanes if it suits you. It is important to emphasize here, that **YOU DO NOT HAVE TO BOWL** to come and reconnect with old friends and have a relaxed evening. I mean, who didn't go to Yucca Bowl when we were kids. It's like walking into history!
The decision to change our main focus from the game to ice breaker did not come easy. However, in order to make it the best experience possible, we need concrete plans so

that we are not changing things at the last minute. Of course, IF THERE IS A GAME, we will let everyone know and provide a sign-up form in order for alumni to get in free.

Thank you.
